

PUBLICATIONS/PRESENTATIONS

i. Peer reviewed manuscripts

Barnabe C, Hanley D. Effect of TNF Inhibition on Bone Density and Turnover Markers in Patients with Rheumatoid Arthritis and Spondyloarthritis. *Semin Arthritis Rheum* 2008 Jun 26. [Epub ahead of print].

Barnabe C, LeClercq S, Fitzgerald A. The Development of Inflammatory Arthritis and Other Rheumatic Diseases Following Stem Cell Transplantation. *Semin Arthritis Rheum* 2009;39(1):55-60.

Barnabe C, McMeekin J, Howarth AG, Martin L. Successful Treatment of Cardiac Sarcoidosis with Infliximab. *J Rheumatol* 2008;35(8):1686-8.

Barnabe C, Elias B, Bartlett J, Roos L, Peschken C. Arthritis in Aboriginal Manitobans: Evidence for a High Burden of Disease and Under-utilization of Specialist Care. *J Rheumatol* 2008;35(6):1145-50.

Barnabe C, Fahlman N. Overlapping Clinical Features of Lupus and Leptospirosis. *Clin Rheumatol* 2008 (epub), DOI 10.1007/510067-007-0823-7.

Barnabe C, Daeninck P. "Beauty is only skin deep": Prevalence of dermatologic disease on a palliative care unit. *J Pain Symptom Manage*. 2005 Apr;29(4):419-22.

Barnabe C. Acute generalized weakness due to thyrotoxic periodic paralysis. *CMAJ*. 2005 Feb 15;172(4):471-2.

Barnabe C, Hurst L, Alowami S. When is recalcitrant pyoderma gangrenosum truly recalcitrant? *J Cutan Med Surg*. 2003 Sep-Oct;7(5):387-9.

Barnabe C, Kirk P. A needs assessment for southern Manitoba physicians for palliative care education. *J Palliat Care*. 2002 Fall;18(3):175-84.

ii. Book chapter

Walker J, Barnabe C, Fritzler MJ. Autoantibodies, Classification Criteria and Diagnosis of Systemic Autoimmune Rheumatic Diseases. In: Conrad K, Chan, EKL, Fritzler MJ, Sack U, Shoenfeld Y, Wiik A (eds), *From Etiopathogenesis to the Prediction of Autoimmune Diseases: Relevance of Autoantigens, Autoantibodies and Autoimmunity*. Proceedings 8th Dresden

Symposium on Autoantibodies. Pabst Science Publishers, Lengerich, Germany. Chapter 7, pp. 352-369, 2007.

iii. Abstracts

Barnabe C, Hazlewood G, Fahlman N, Barr SG, Martin L. Rational Selection of Next Biologic After Anti-TNF α Discontinuation in Rheumatoid Arthritis. *Ann Rheum Dis* 2009; in press.

Barnabe C, Hazlewood G, Barr S, Martin L. Use of Rituximab or Abatacept After Anti-TNF Discontinuation in Patients with Severe Rheumatoid Arthritis. *J Rheumatol* 2009; in press.

McMillan L, Barr S, Barnabe C, Martin L. Achieving remission in rheumatoid arthritis with biologic therapies. *J Rheumatol* 2009; in press.

Hazlewood G, Barnabe C, Barr S, Martin L. Use of Rituximab in Severe Rheumatoid Arthritis: "Real-World" Experience in a Canadian Centre. *Arthritis Rheum* 2008; 58(12):4014.

Peschken CA, Barnabe C, Robinson DB, Hitchon CA, El-Gabalawy HS. Severe Rheumatoid Arthritis Phenotype in Native American Indians Compared to Caucasians. *Arthritis Rheum* 2008;58(9) Suppl:S762-3.

Hazlewood G, Barnabe C, Martin M. Use of Rituximab in Severe Rheumatoid Arthritis: "Real-World" Experience in a Canadian Centre. *Ann Rheum Dis* 2008;67(Suppl II):609.

Peschken C, Barnabe C, Hitchon C, Robinson D, El-Gabalawy H. Longitudinal differences in RA phenotype between First Nations and Caucasians. *J Rheumatol* 2008;35(6):1189.

Barnabe C, Barr SG, Martin L. Subsequent Biologic Therapy Survival and Reason for Discontinuation in Patients Who Have Discontinued Infliximab Therapy. *J Rheumatol* 2008;35(6):1207-8.

Barnabe C, Barr SG, Martin L. Comparison of Continuation Rates and Reasons for Discontinuation in the Initial Cohort of Infliximab Patients to a Contemporary Cohort Treated After 2002. *J Rheumatol* 2008;35(6):1208.

Barnabe C, Barr SG, Martin L. Complications Developing During Infliximab Use at a Canadian Rheumatology Centre. *Arthritis Rheum* 2007;56(12):4283-4.

Barnabe C, Fitzgerald A. New Onset Polyarthritis and Positive ANA Following Autologous Stem Cell Transplantation. *J Rheumatol* 2007;34(7):1618.

Barnabe C, Elias B, Bartlett J, Peschken C. Aboriginal Rheumatic Disease Epidemiology in an Academic Centre. *J Rheumatol* 2006;33(2):388.

Peschken CA, Barnabe C, Hitchon C, Robinson D, El-Gabalawy HS. Algonkian Indians have Severe Rheumatoid Arthritis in Spite of Aggressive Treatment. *Arthritis Rheum* 2004;50(9) Suppl:S556.

Barnabe C, Daeninck P. Skin Integrity: Dermatologic Conditions in the Terminally Ill. *J Palliat Care* 2004;20(3):252.

Barnabe C, Elias B, Bartlett J, Peschken C. Aboriginal Rheumatic Disease Epidemiology in an Academic Centre. Pacific Region Indigenous Doctors' Congress, Cairns, Australia, June 2004

Barnabe C, Hurst L. When is Recalcitrant Pyoderma Gangrenosum Truly Recalcitrant? Canadian Dermatology Association, Resident's Session, Ottawa, Ontario, July 2003
